“For everything there is a season and a time for every matter under the heaven.”
(Ecclesiastes 3:1)

The past two years have been a blessing to serve this congregation. Here, I have had the wonderful opportunity to work with your children, youth, college students and adults. Since this was my home church, it has always felt like home. You all have always encouraged me, supported me and allowed me to try new things. During my time at LPC, I feel like I have developed a pastoral identity and strengthened my gifts and skills for ministry. You all have opened your homes and your hearts to me. I can't thank this congregation enough for your support these past two years.

But, for everything there is a season and a time for every matter under the heaven. It's a new time for the church, the camp and a new time for me as well. On Thursday, April 28, 2016 I officially accepted a position to serve First Presbyterian Church of Virginia Beach as their Director of Youth Ministry.

I'm excited and as I prepare for this departure, I'm reminded of last year's Summer Camp theme—“Living in God's Time.” In many ways it may feel like the worst time for me to leave, but I truly believe we are living in God's time. Somehow, all of this is God's plan. And I do believe that. For the church, I hope this will be an opportunity for you to consider your overall staffing needs. Maybe this change will open up doors of new possibilities as you look to hire a new staff person or persons. For Monroe Camp & Retreat Center, I feel that I have helped create the stability they have needed for the past three and half years. Monroe now needs, in order to be successful, someone who will take them to the next level as a nonprofit organization. While Monroe has struggled, I'm leaving hopeful about its future ministry. Monroe has an active

Board of Directors. With the support of the Board and the support of this church along with the support of this community, Monroe will not only survive but will *thrive!*

I am grateful to both ministries and hope that both will discern God's will for its future. I also hope, that this congregation will continue to make a concentrated effort in supporting the work at Monroe by continuing with a future Fellowship/CNE Event we were planning in August/September, for the continued support of the scouts doing projects at Monroe, and for continuing to send North Laurinburg students and our own children to Monroe for Summer Camp so that these children may have powerful faith experiences.

As you all know, in May, I would normally start focusing my time at Monroe as we prepare for the summer. It will be my intentions to continue to do so to ensure a fantastic summer camp program. The first week of May I had planned to attend the ARW Conference at Montreat. Even with leaving, it has been encouraged, by the Board, that I continue to plan to do so, for which I'm grateful. My last official day is planned for Tuesday, May 24, 2016.

Once again, I can't thank this session and congregation enough for your continued support throughout these past two years. To quote Paul, “I will thank God every time I remember you.”

Peace be with you,

Rev. Lyndsey McCall

INTERIM SEARCH COMMITTEE REPORT

The Interim Search Committee has been meeting weekly since our appointment by the Session to prepare our Ministry Information Form, as required by Presbytery. That form was reviewed by our COM liaison from Presbytery Deck Guess. The Session approved it on May 1. It will now be accessible online by those who are interested in our interim position.

We have also been contacting a number of ministers who have been referred to us as possible candidates by various individuals. At the present time, we have received two applications and expect to have more as word gets out. Of course, as the search process continues, we will be looking closely at candidate qualifications, sermons they have preached, and other experiences that would make them especially qualified to lead our congregation through the interim period. We will certainly be meeting in person with those who, we feel, are top candidates.

We are moving forward as quickly as possible while remaining mindful of how important it is for us to make our decisions with care as we seek to be led by the Spirit. Keep us in your prayers!

CAPITAL CAMPAIGN REPORT

This report comes as we end the first year of our three year "Building our Faith" Capital Campaign to address major needs of our church. The buses have been purchased and the roof replacement has been completed. We had hoped to remodel the bathrooms in the Fellowship Hall; however, our pledges fell short and this has been put on hold.

The total cost of our improvements was \$390,104. Due to the initial support of the congregation, we only needed to borrow \$220,000 and, as of to date, we have a loan balance of \$210,000. We project interest at \$10,000 and adding a contingency of \$2,000 will leave a total loan balance of \$222,000. The pledges due for the next two years come to \$162,028. Added to this we have from Capital Funds and Endowment Funds \$63,283, giving us a projected income of \$224,311.

Thanks to our congregation and their generous giving, we are right on target to meet our goal. It is most important that we continue to meet our pledges over the next two years as this will enable us to keep our interest costs as projected.

Yours in Christ,

Clint Willis, Chair Capital Campaign Committee

Pentecost Offering

On May 15, 2016, Pentecost Sunday, our congregation will participate in the Pentecost Special Offering, as part of the PCUSA Presbyterian Mission. Young people in the church and the world are the beneficiaries of this offering.

As you know, on Pentecost we celebrate the Holy Spirit descending upon the Apostles and leading 3000 persons to act on their faith and to be baptized and to follow Christ. This offering is designated to help bring young people to their own faith, allow avenues for them to meet and share stories, ideas and their gifts, and to help minister to children at risk in our communities. Specifically, our congregation will keep 40% of the collection to "support local youth programs" about which it is passionate. The Presbyterian Mission Agency will receive 60% of the funds to support the Young Adult Volunteers program, Ministries with Youth program, and education and advocacy for children at risk through "Educate a Child: Transform the World" national initiative. Please consider the materials found in your bulletins and consider giving generously.

Adult Sunday School 9:45 am you are invited to join the Men's Class, 3Ms or the Fun Adult Class.

Scotia News The DVD of the Sunday morning worship service will continue to be played in MMEC at 2 pm. Weekly lectionary study is at 1 pm Wednesday in the upstairs living room coordinated by Meredith Hudson.

Surf's Up! Calling all surfer "dudes" and "dudettes" to join your friends at Laurinburg Presbyterian Church and catch the wave at Vacation Bible School. Snappy the crab can't wait to meet you!

Each day we'll gather at the surf shack for a high-energy opening assembly with Snappy the crab, where we will sing songs and explore how to serve God and to experience his amazing love in our lives. Next, all surfers will make their way to the Story Hut, where we will hear how God created the world and how, with God's help, Miriam rescued and cared for Moses. We will learn about John baptizing Jesus and about Jesus calming the storm on the ocean. With the help of Snappy and our storytellers, we will discover that we are all an important part of God's creative plan. God loves us, watches over us, helps and guides us, and protects us. Because God loves us, we should share his love with others.

We will continue our beach adventures creating fun art projects at the Craft Hut, learning new songs at Tidal Tunes, and getting active at the Recreation Station. Of course, no day at the beach would be complete without tasty Shack Snacks! Along the way, we'll be guided by our "wave words" to remind us of God's presence in our lives.

We would love to have you join us at the Surf Shack, as we catch the wave of God's amazing love.

Important Information:

- VBS is open to children in the community in grades K-5. Church members may bring children or grandchildren starting at age 4. Registration and safe sanctuary forms must be completed, and will be available soon outside the church office beginning in June. Please help us to plan by pre-

registering your children and grandchildren by July 3rd so that we can purchase adequate materials. Pre-registration also speeds up the check-in process on the first day of VBS.

- We always need volunteers to help decorate (June 27-July 1), to teach, and to provide and serve snacks. Please let us know how you will help.
- Colors of the day and the "wish lists" for props and snacks will be shared in June.

MANY THANKS to all the kids and parents who participated in Joyful Singers & Ringers and the Cherub Choir this year! You made so many wonderful contributions to our worship services. We will take the summer off from rehearsals but don't take a break from music—keep singing, dancing, listening, and enjoying all summer long, especially at Vacation Bible School!

Kids' choirs will start meeting again right after Labor Day, and our first worship participation opportunity will be on World Communion Sunday, October 2. Parents, stay tuned for schedule discussions via email as the summer progresses. Thanks again for your participation!

On Sunday, June 5 Joseph Martin is coming to Laurinburg and you are invited to participate and attend a choral workshop and concert.

North Carolina native and world-known composer, Joseph M. Martin, will conduct a choral workshop at First Baptist Church on Sunday, June 5 at 4:00 pm for various community choirs. Some of Laurinburg Presbyterian's choir members will participate. The community choirs and Martin will perform a concert at 7 pm in the sanctuary of First Baptist Church following the workshop on June 5.

Martin earned his Bachelor of Music degree from Furman University in Greenville, SC and Master of Music degree in Piano Performance at the University of Texas in Austin. A prolific composer of more than 1,200 anthems and 52 cantatas, he is a member of the staff of Hal Leonard publications and the editor of sacred publications at Shawnee Press. Over ten million copies of his compositions have been sold worldwide.

His sacred concerts are like no other church concert you have ever attended. Touched by his flying fingers, the hymns and folk songs he plays are transformed into a rainbow of colorful sounds. His repertoire ranges from American hymnody to soaring Celtic tunes, from impressionistic adaptations of sacred standards to rollicking gospel toe-tappers.

Circle June 5th at 7:00 p.m. on your calendar and plan to attend this concert.
